CHILDREN'S 2008 BENEFIT BANQUET

SPONSORSHIP OPPORTUNITIES

NOVEMBER 1, 2008 • 6 - 9PM**FAIR HAVEN MINISTRIES • 2900 BALDWIN, HUDSONVILLE, MI 49426****PURPOSE OF EVENT**

The purpose of this event is to raise financial support for the world's 143 million orphaned children. These children face bleak futures in their birth countries, and while many hope to be adopted, most will never see their dream come true. There simply are not enough homes for them all. In the U.S. alone, there are approximately 301 million people, which means that nearly every other U.S. citizen—including children—would need to adopt one child in order to find a home for every orphan worldwide. At Adoption Associates, Inc. we not only strive to promote adoption awareness, we also care for the children left behind by partnering with generous supporters who also have a heart for our cause.
