Can you imagine? Nearly six million (6,000,000!) children in Nepal and Ethiopia wake up without loving parents every day. The global response to these little ones does not come close to meeting even their most basic needs for food, clothing, or shelter, let alone a loving family. We know that poor nutrition stunts their growth, any education is rare, and chronic illness is their constant companion.

The sad truth is that not all of these children will be adopted and many will die. They are innocent victims of poverty, disease, and the squalor of the third world. Their lives hold no hope or promise, but you and the Christian community can help make their lives better.

HOW CAN I HELP?

Child and orphanage sponsorship is a way to help children who would otherwise have no hope. AAI works with several orphanages in Ethiopia and Nepal. By sponsoring a child or an orphanage, you will be helping to save the lives of children and keep them from the street by providing funds to shelter, clothe, and feed them. The education your donation will provide will give them a brighter and more hopeful future.

HOW DOES IT WORK?

Child Sponsorship

- You can choose the age and gender of the child you would like to sponsor.
- AAI will send you a photo and information about a child who will most likely not be adopted.
- You will be encouraged to write to the child and will receive updates on his or her progress twice a year.

Orphanage Sponsorship

- AAI will send you photos and a detailed description of each orphanage.
- You will then receive a list of each facility's current needs and an estimated cost for sponsorship.
- You will receive updates on how your gift is helping the children in the orphanage.

HOW MUCH DOES IT COST?

Child Sponsorship

You can support one child for an entire year for only \$300.

Orphanage Sponsorship

Costs for supporting an orphanage vary. Sponsorship can include anything from renovating dilapidated facilities and buying livestock to providing food, clothing, beds, and toys. Upon request, AAI can provide a more detailed estimate of opportunities and cost.

Payment and Commitment

- Payments for sponsorship programs can be made on a monthly, quarterly, or annual basis.
- A one year commitment is requested.

WHO CAN BE A SPONSOR?

Sponsorship is perfect for an individual, a family, a Sunday school class, a Bible study project, or a youth group.
