

# New country programs and limited-time-only fee reductions!

Adoption Associates, Inc. is delighted to announce two new country programs and a limited-time fee reduction on four international programs, available through August 29, 2008. These new opportunities have grown out of a new partnership with the HOPE for Children adoption agency of Atlanta, Georgia.

As HOPE for Children becomes an agency of Adoption Associates, Inc. on June 20, 2008, AAI families and individuals wishing to adopt now have access to programs in India and Colombia, both of which are accepting married couples and single female applicants meeting certain eligibility requirements. Find out more about these programs by visiting [HopeForChildren.org](http://HopeForChildren.org) and clicking on "Adoption Programs."

In celebration of this new partnership, AAI offers fee reductions for sign-ups through August 29, 2008\*, for the following countries: Ethiopia, India, Nepal, and Russia.

FEE REDUCTIONS ARE AS FOLLOWS:

#### **Ethiopia, India, Nepal, and Russia "Waiting Children":**

\$750 agency fee reduction + \$250 international home study fee reduction (if using AAI or HFC) = \$1,000

#### **Russia (regular program):**

\$1,250 agency fee reduction + \$250 international home study fee reduction (if using AAI or HFC) = \$1,500

These fee reductions, in addition to the federal tax credit and loan programs like Funds for Families, may make your adoption more affordable than you ever dreamed possible.
